Dear Bryan,

I just wanted to drop you a quick note to thank you so much for your excellent service in relation to our multi-functional printer needs.

From the moment I heard you speak at BNI with your obvious enthusiasm for what you do and your clients' needs, I expected that you would provide a great service, and you have done exactly that.

You responded specifically to our requirements and showed us several options and recommended the machine that we eventually chose, the Konica Minolta bus hub C364e. That machine has performed without a hitch and the quality of the copies is excellent.

Even when Konica Minolta sent us the wrong machine, your office has responded swiftly to correct the problem.

Dealing with Colour Smart Solutions has been great – the staff are very friendly and responsive and things get done efficiently and quickly.

I have no hesitation in recommending Colour Smart Solutions for anyone who needs an attentive and intelligent service provider for their copying and printing needs.

Yours faithfully
