Dear Bryan

**RE Compliments to the Colour Smart Team**

Just a quick note to congratulate you and your team on the level of service and professionalism shown to Box & Co. This is a rare commodity in today's business climate.

We would also like to thank you for the significant effort you put in to come up with a very competitive copying and printing solution. This as you know has saved us in excess of \$5k per annum.

We would be more than happy to be a reference and or testimonial for your business and look forward to another 5 year term of mutual success.

Yours faithfully
