Dear Bryan,

I would like to express my appreciation, on behalf of Mitchell Brandtman, for the high level of service that we have received from yourself and Colour Smart Solutions.

Our copies are faster, easy to use and lower in costs. The advice we received allowed us to select quality machines that fit our office printing requirements within our budget.

We would be happy to recommend Colour Smart Solutions to any other business. We look forward to continuing our relationship in the future.

Yours faithfully,  
MITCHELL BRANDTMAN
