TO WHOM IT MAY CONCERN

I first met Bryan Murphy over ten years ago when we were sourcing new high volume copiers. Bryan was sensitive to our needs, able to provide a complete, cost effective solution and delivered service unparalleled by rival firms.

Colour Smart Solutions has assisted me greatly by taking the worry out of our printing needs. In the legal profession we have high volumes of print and copying and we require reliable machines and prompt service.

I am impressed by the professionalism of Bryan and his willingness to be available to us outside normal business hours should the need arise. Whenever our machines need an upgrade Bryan is able suggest new copiers and printers to increase our efficiency without "blowing" the budget.

I would have no hesitation in recommending Bryan and Colour Smart Solutions to any firm who wants excellent service. If you wish to deal with someone of integrity who has an impeccable knowledge of the product they are selling and servicing and who puts the needs of the customer first look no further than Bryan Murphy.

Yours faithfully
